**Parent NEWS!**

Welcome back from break and Happy New Year to all our families! We are off to a strong start and want to maintain the momentum by staying connected and informed. Please take some time to look over the January newsletter. You may find that stepping in for 2 to 4 hours a month is not only interesting, it can also be a lot of fun, as you play an essential role in your child's education. Also consider attending the next parent meeting on Thursday January 31<sup>st</sup> from 6-7pm held in the Elementary School library. Topics to be discussed include mentoring opportunities, streamlining communications, and effectively addressing parent needs.
