Permission for Testing/Assessment

To the Parent(s)/Guardians of: _____

School:_____ Grade:_____ Referred by:_____

A request for gifted identification testing has been made for your child. Testing is required for identification to be possible. The following types of tests may be administered to your child: An ability test, which measures a student's thinking ability in terms of analogies, sequencing, and verbal and nonverbal reasoning; And or an achievement test, which measures a student's knowledge of a specific subject. These tests may be given in an individual or group setting.

No assessment will be done without your permission. Please read the information below and return it to your child's principal as soon as possible. If you have questions, please do not hesitate to contact your child's principal.
